Dear Asaf,

As discussed this afternoon, Brad has sent me a couple of emails over the weekend which are becoming increasingly aggressive to me. One email, in particular, is requesting information about Shamir Holdings on the basis that I act for both Raw Mobility P/L and Shamir Holdings and intimating that information for Shamir Holdings should be provided to Brad as it is in the interests of Raw Mobility for such information to be provided.

Given that the respective parties have not been able to reconcile their differences and I'm now being asked to provide information to Brad in respect of Shamir Holdings P/L, I am now clearly conflicted. Notwithstanding that Brad has known from the very beginning that I act for you and your group of entities and has not in the past raised this as an issue, his recent request has clarified for me that there is now at the very least a perceived conflict. On this basis, I now need to recuse myself from acting for either or both of Raw Mobility and Shamir Holdings.

At this time, I propose to disengage from Raw Mobility.

Should you have any queries in relation to the above, please feel free to contact me at any time.

Regards,

Eli Lebovits CA | Director
